NO	RISK IDENTIFIED	RISK LEVEL	RISK FACTOR	SUMMARY OF RISK IDENTIFIED	ACTION REQUIRED TO MITIGATE THE IDENTIFIED RISK
1	WBC - PROGRAMME OF MAJOR WORKS - COMMUNAL EXTRACTOR FANS	HIGH	Communal Extractor Fan Section 20 Major Works, deferred due to responses from Residents to the Notice of Intention (NOI).	Information pertaining to when WBC will provide further information on the Scope of Works and consultation with Residents.	WBC to provide update on alternative Scope of Works and in addition to consider Phasing each of the Major Works by allowing a 3 year gap between each of the Programmed Major Works. Thus will allow the Residents of Goulden House respite and adequate time to recover financially.
2	Fire Risk Assessment (FRA)	HIGH	Fire Risk Assessment (FRA) was undertaken in 2016 and expired in 2020.	WBC have stated on email dated 23/10/2020 and on 09/06/2021 "that there is not a definitive date when the FRA will be carried out but they will be undertaken sometime in the future".	WBC to provide date on when the overdue Fire Risk Assessment (FRA) will be undertaken on site. Estate Manager has updated the WBC Riskbase with regards to the overdue Fire Risk Assessment (FRA).
3	WBC - PROGRAMME OF MAJOR WORKS - LIFT REFURBISHMENT (H114, H115 & H116)	HIGH	Full Lift Refurbishment is scheduled to take place in Spring of 2022, this may be subject to change as it is falling under the Section 20 Major Works process.	The Full Refurbishment of Lift H114, H115 & H116 needs to include the costs already paid by the Residents via their Service Charges, which was in excess of £70k, and related to the Emergency Repairs to Lifts H114 & H115.	WBC to ensure that the already charged amounts for Lift H114 & H115 are taken into account when the Major Works commences.
4	WBC - REPLACEMENT OF INTERCOMS	MEDIUM	Intercoms have already been surveyed by WBC in April 2021. Goulden House await the findings from the Survey.	Goulden House Co-Operative Ltd are waiting on WBC to provide the findings from the survey.	The Survey of the Intercoms by WBC confirmed that the Intercoms are Obsolete. The Estate Office sourced a temporary solution by placing a Digital Pad in Block B, where Residents Mobile Numbers are uploaded to the Digi Pad under their specific Flats (With the consent of Residents) and access can be provided via Mobile Phones to their Visitors/Deliveries etc. WBC to give consideration to the placement of Digital Pad in Block A and Block C, the latter, would alleviate the need for Section 20 Major Works to be undertaken in the 2 years, thus this will ease off the Financial restraint on Residents.
5	FLAT ROOF (POTENTIAL DEFECT)	HIGH	Documentation provided to WBC, FAO Martin Stack (Building Maintenance Manager) and we are waiting on his findings from the documentation provided.	Goulden House Co-Operative Ltd are waiting on WBC's Findings/Recommendations.	Provision of £15,000 ring fenced against this work in 2020/21 Budget and action required. With WBC to provide GH with their instruction/recommendation based on the Documentation provided to them.
6	THE LIGHTING INFRASTRUCTURE	HIGH	Lighting infrastructure requires upgrading in order for the Emergency lighting Drain Test to be undertaken.	No monthly Drain Test can be undertaken to Emergency lighting	WBC have completed the Survey pertaining to the Emergency lighting and lighting distribution on Site on 14th of April 2021. GH are waiting to be issued with the Survey.
7	STAFFING	HIGH	GH Estate Office is currently under staffed and has been since 25th March 2020.	Due to Covid-19 Pandemic and the reduction in the necessary Staff until 1st of October 2021. The Estate Manager on Thursday the 8th of July emailed the GHMC the necessary Staff until 1st of October 2021. The Estate Manager is currently undertaking the Role of Estate Manager and that of Office Administrator during what is an Exceptionally Busy period.	GH will legally be in a position to recruit by the 1st of October 2021. The Estate Manager on Thursday the 8th of July emailed the GHMC the necessary Staff until 1st of October 2021. The Estate Manager is currently undertaking the Role of Estate Manager and that of Office Administrator during what is an Exceptionally Busy period. The Management Committee supported this decision and Finance Officer commenced the additional hours on 12th July 2021.

8	SENIOR STAFF ABSENCE	HIGH	Business continuity	GH currently employ an Estate Manager, Finance Officer Training is necessary for both the Finance Officer and the Office & will recruit an Office Administrator on the 1st of Administrator, which will ensure the continuity of the business in October 2021. In the absence of the Estate Manger the event of Significant illness of senior staff. whether it be due to illness, Finance Officer takes responsibility for the site and will be assisted from the 1st of October 2021 with an Office Administrator and vice versa.
9	FIRE DOOR REPLACEMENT SURVEY	HIGH	A number of Leaseholder Flat Doors were found to be non-compliant to Fire & Smoke Regulations, the risk was identified by WBC in 2016.	WBC issued letters to all Leaseholders in 2018 advising The Health & Safety tendering process has commenced for the selection of appropriate Health & Safety Surveyor. The WBC is aware of this and is fully supportive of this task and WBC agreed to cover the cost of Survey.
10	EXTERNAL REDECORATION (MAJOR WORK) 2025/26	HIGH	Estimated Cost of External Redecoration to GH	WBC have estimated the cost of Major Works to the Goulden House Co-Operative Ltd require breakdown of how WBC External area of the Site in 2025/26 will be in excess of have estimated this amount be One Million pounds (Breakdown required).
