NOTICE TO RESIDENTS

This notice is to advise that a Thames Water Engineer attended Block C this morning to further investigate the low water pressure, which a number of our residents are experiencing in Block C.

Thames Water Engineer has confirmed that two jobs have been raised for the OSV's (Outside Stop Valves) to be dug out/made operable (Reference No: 31843404 09/09/22), the locations of these valves are as follows and Thames Water have advised that works will hopefully commence in 7 days:

Outside of Block C Entrance

Outside/adjacent to 82/81

For and on behalf of Goulden House Co-Operative Ltd
