NOTICE TO RESIDENTS

This notice is to advise residents of Pestgone's inspection of the site on 14th January 2025, which is as follows:

“A routine inspection was carried out today across all areas of the premises, including all internal communal areas, external grounds, building perimeters, sub entries, communal gardens and bin stores inner and outer greens and main bin stores with light evidence of rat activity found within external bait stations within the outer green only with a total bait consumption of around 20% found. All bait stations have been fully serviced with bait replenished and refreshed where needed, good levels of housekeeping and hygiene standards were found during today's inspection. Staff have reported no issues since previous inspection all insect monitoring points have been inspected and show no signs of any recent or ongoing pest activity. PestGone will continue to monitor on forthcoming service visits.”
