

Notice to Residents – Cameras Placed in the Chute Rooms on 4th Floor.

This notice is to advise our residents that cameras have been placed in the Bin Chute Rooms in Blocks A, B & C on the 4th Floor.

The cameras have been placed in the Chute Room to assist the Estate Office, because of the manner in which a very small percentage of residents dispose of their refuse and end up blocking the Chutes, thus preventing other residents from being able to dispose of their refuse. Cleaning Staff are then taken for their daily duties to unblock the Chutes and in the process of clearing the Chutes, leaving them vulnerable to injury.

Please dispose of your General Waste & Recycling responsibly.

Your assistance with the above is very much appreciated in advance.
