

## NOTICE – Refurbishment of Entrance B

Please be advised that all access to Block C will be via the rear entrance from Monday, 06 of October 2025, until Tuesday, 07 October 2025. Due to an issue with the new flooring by the main entrance.

The intercom system will remain fully operational and accessible at all times. The lift will also remain accessible via the rear entrance. However, no entry into Block C will be permitted through the main entrance on Bullen Street during this period.

We apologise for any inconvenience caused and thank you for your cooperation.
