NOTICE TO RESIDENTS – JG PEST CONTROL/PESTGONE'S MAINTENANCE VISIT ON 24TH MARCH 2026

The following finds are from JG Pest Control/PestGone's inspection of the Communal Areas on Tuesday 24th March.

“Attended site to carry out a routine inspection. Today I have replaced 30 rat boxes around the perimeter of the communal gardens and bin sheds. I have taken the majority of the old boxes away, but some were tethered into place using metal wire, I had nothing to cut these off on this visit. Also, another 5 boxes will be needed for the 4th Floor Walkway”.
