NOTICE TO RESIDENTS – UPDATE ON PEST CONTROL INSPECTION OF THE SITE ON WEDNESDAY 29TH APRIL

This notice is to advise residents of Pest Control's findings from their inspection of the site on Wednesday 29th April.

“Attended to carry out a routine inspection. Today I found bait take in two boxes in the outdoor bin sheds. I have checked all other boxes and found no signs of any bait take; the bin cupboards are clear. The grass areas are cut and well maintained, and I could see no signs of burrows. I have replenished baits as required”.
