NOTICE TO RESIDENTS – HEATWAVE – STAFF

As we are currently experiencing a heatwave, temperatures are predicted to rise to 35 degrees, if not higher this week.

The opening of the Estate Office will be determined by the temperature, it is currently 29 degrees (Monday 22nd June), and the Estate Office is just about comfortable to work in. If the temperatures rise as expected and from a Health, Safety & Wellbeing perspective, on the hottest days, Estate Manager will be Working from Home, please be assured that there will be no deviation from our business as office phones will be diverted to the Estate Manager's Mobile, please email as normal. Our Agency Cleaning Staff will be coming in earlier to undertake their duties and will be leaving earlier, due to the excessive heat, our Agency Staff will be supported on site by their supervisor.

PLEASE KEEP HYDRATED, ENJOY THIS BEAUTIFUL WEATHER, BUT ENJOY IT SAFELY

For and on behalf of Goulden House Co-Operative Ltd
