

NOTICE TO RESIDENTS – UPDATE ON PEST CONTROL’S INSPECTION ON SITE TODAY MONDAY 27TH JULY 2026

The following is the update from Pest Control (Nightshift Pest Control) attendance at Goulden House today (Monday 27th July) to carry out routine pest control inspection:

“All accessible areas and monitors where visually inspected.

Bait consumption found and reports of sightings made externally.

Bait was replenished as needed.

An additional 5 monitors where placed internally (Estate office kitchen area, Electric intake cupboard Ground floor, and 4th floor).

No bait consumption found in any of the inspected internal monitors (corridors and internal bin stores)

Nightshift will continue to monitor the situation.”

For and on behalf of Goulden House Co-Operative Ltd

Kindest Regards
